

4/7/2020

The Topsail Beach Board of Commissioners is asking all residents and property owners to respect and follow all travel restrictions and guidelines per Governor Cooper's Executive Order No. 121. We are requesting that property owners (resident & non-resident) please remain at their primary place of residence until further guidance is provided and non-essential travel is deemed safe by our state leaders.

The threat of spreading COVID-19 is real and we must adhere to the Governor's Executive order to "STAY AT HOME". Therefore, we are appealing to our friends and family members whose primary residence are outside of the Topsail Beach limits to respect our State of Emergency declaration and suspend all non-essential and non-emergency travel to and from our town. Your cooperation will significantly assist in flattening the curve. Please know the CDC and North Carolina Department of Health and Human Services recommend you self-quarantine for 14 days if you are traveling from known areas with COVID-19. We will lift this restriction as soon as the situation allows.

The Town of Topsail Beach would like to thank all of our citizens, property owners, visitors, business owners and realtors for their cooperation and understanding during this difficult time. We are also especially grateful to our first responders, medical professionals, essential business employees and Topsail Beach Town Employees for their efforts to continue to provide assistance during these uneasy times.

Remember, wherever you are, we are all in this together.....and together we will beat COVID-19! Enjoy your holiday weekend. Stay safe and stay healthy. Thank you.
